The image shows a musical score for the hymn 'A Safe Way Ahead'. It consists of two staves: a treble clef staff at the top and a bass clef staff at the bottom. Both staves are in the key of D major, indicated by a sharp sign on the F line. The treble staff contains the vocal melody, which is a simple, hymn-like tune. The lyrics are written below the treble staff, aligned with the notes. The bass staff provides a harmonic accompaniment, primarily using chords and moving bass lines. The music concludes with a double bar line and repeat dots at the end of both staves.
