vez. Light the spark and keep it warm and then they'll do the rest.

Ó-hoo' aah bó-ho-nee-dl<sup>a</sup> con chis-pa se^en-cien-de ca-da

1. With a spark the sim - ple green stick will  
2. That green stick, if kept in the fire will

burn with a bright flame; — But if it strays far from the fire it  
burn with e - ner - gy; — And soon will give both light and heat that

does all not a - stay round the can same. see.
